Christmas 2025

Dear Morrow Home Community Friends,

Our entire Morrow Home Community wishes you and your loved ones a very blessed Christmas. We give thanks that we were able to share our love by providing services for all residents here at Morrow Home Community.

We would like to acknowledge the generosity of those who donated to the 2024 Christmas Appeal. Those donations were used to continue the second floor nursing home remodel and updates. Donations were used for new room doors, door handles and security locks to aid in protecting our residents on the second floor north wing.

In 2025 we are seeking assistance from our Morrow Home Community Friends to purchase a Wheelchair Accessible UTV for our residents to go on outings in Sparta. By purchasing a wheelchair accessible UTV, we could get more residents out of the building and going for rides around town to sightsee and ride through the city parks. All the streets are now considered ATV/UTV routes. The UTV would have 3 wheelchair spots, plus 2 more spots for family, guests, or more residents. So many of our residents enjoy getting fresh air and feeling the wind in their hair as we have discovered with the Trishaw! We have brought up the possibility of getting the UTV to several of our residents and they have voiced excitement over a new opportunity to get out of the building. A UTV would appeal to so many of our residents and would be a fun and efficient way to get a group of residents outdoors and enjoying the fresh air. It is our hope and request that through the generous donations from our Morrow Home Community Friends that our residents lives will be enhanced with donations received through this year's Christmas Appeal. The average list price of a Wheelchair Accessible UTV is around \$44,000.

Once again, Mary Morrow's Attic has agreed to match the first \$15,000 of donations, thus doubling your gifts.

You may enclose a check to the Morrow Home Foundation in the enclosed self-addressed envelope or go on-line to our website www.morrowhome.org and click the "Donate Now" through Network for Good button.

May God bless you and your family throughout this joyous Christmas season.
